

What does the river mean to you?

Share your story at app.spryng.io/c/v/mnsc-swsf

Sacred Water Shared Future would like to hear your story about what the Mississippi River means to you. **Please take a few minutes to share your story with MN StoryCollective.**

Stories are collected anonymously and will be shared with Sacred Water Shared Future partners and other agencies and teams at the State of Minnesota. MN StoryCollective is a way for you to share your experiences, generate ideas for change, and help support the state's many communities. **Your story can help shape the future of water policy and programming in Minnesota!**
